Application for use of PFAS-test center at former Korsør Fire Academy for a development project

To *Partnership* on PFAS-test center at former Korsør Fire Academy (today RESC):

Slagelse Municipality
Rådhuspladsen 11
4200 Slagelse

RESC Rednings- og SikkerhedsCenter
Slagelse Landevej 3
4220 Korsør

Region Zealand
Alléen 15 4180
Sorø

Attn./*Partnership's* contact person: Bente Højlund Hyldegaard, chief technical advisor
at Region Zealand, Regional Development, telephone: + 45 29 76 93 07, e-mail:
behyl@regionsjaelland.dk.

The applicant expresses, by submitting the form below, an interest in using the test
center at former Korsør Fire Academy for a project related to development and/or
testing of methods for investigation and/or remediation of PFAS contaminated sites.

See info about the test center on the webpage: www.danishsoil.org/testsites/testsite.php?id=11

Resumé of the project for the test center's webpage and LinkedIn <i>(regardless of a non-disclosure agreement, if any)</i>	
Requesting a non-disclosure agreement?	Yes: _____ No: _____
Scope of investigations <i>(mark with X)</i>	Biota (Korsør Cove) _____ Grass (meadow) _____ Indoor air _____ Soil vapor _____ Surface water _____ Drain water (buffer tanks) _____ Existing borehole(s) _____ Hand drilling _____ Borehole drilling _____ Soil samples _____ Water samples _____ Decommissioning _____ Surface coating (e.g. drains) _____ Other (describe) _____
Requiring authority permission(s)? <i>(to be obtained by project owner, e.g. section 19 of the DK Environmental Protection Act)</i>	Yes: _____ No: _____ If yes, which one(s)?:
Plan for handling of contaminated waste <i>(e.g. drilled-up, excavated or pumped-up material)</i>	
Requesting to feed outlet water to the permanent P&T-plant?	Yes: _____ No: _____
Intended use of chemistry and/or microbial culture(s)?	Yes: _____ No: _____ Which compound(s) / microbial culture(s)?: _____ Amount: _____ Concentration: _____

Access requested to which test area(s)? <i>(mark with X)</i>	Consolidated area _____ Unconsolidated area _____ Building(s) _____ Drain _____ Meadow _____ Korsør Cove _____ Other (describe) _____
Enclosed appendices <i>(mark with X)</i>	Drawing(s)/illustration(s) _____ Method description(s) _____ Project application(s) _____ Expression(s) of interest _____ Other (describe) _____
Other <i>(e.g. link to project webpage)</i>	

If the *Partnership* accommodate the project application, the *project owner* accepts that the *Partnership* after initiation of the development project posts the "resumé of the project" and e.g. relevant illustrations on the webpage of the test center (www.danishsoil.org/testsites/testsite.php?id=11) and possibly LinkedIn.

For your information, the application form is shared internally in the coordinating group responsible for the running the PFAS-testcenter.
